CAMP # 4 - **CAMP IS FULL – Wait List Only**

June 14-17 (Camp runs Tuesday-Friday, no camp on Monday.)

Name of Camp: **Coding Camp with the Fools!**

Instructor: Barbara Terry

Location: South Campus Computer Lab/ South Campus Field

Open to: Rising Grades 1– 4

Maximum Enrollment: 35

Time: 9:00 AM – 12:00 PM

Cost: \$200

Description: Give your student a head start on coding and game building principles and let their creativity run wild this summer at our Computer Science Coding Camp! Students can take part in a fun, flexible and engaging introduction to foundational computer science concepts such as sequencing, looping, conditional statements, and more while joining the Fools in Fooville as they guide them to chase and capture Glitches in their town. Beginners can try step-by-step tutorials, while experienced programmers can create their own projects in text coding. We will not only be working on iPads and desktops computers, but exploring concepts of coding in outdoor activities as well. Come join our friends the Fools!

Waitlist Link: <https://payit.nelnet.net/form/Xk0b8p1G>
